

645—221.7 (148F) License renewal.

221.7(1) The biennial license renewal period for a license to practice orthotics, prosthetics, or pedorthics shall begin on July 1 of an even-numbered year and end on June 30 of the next even-numbered year. The licensee is responsible for renewing the license prior to its expiration. Failure of the licensee to receive notice from the board does not relieve the licensee of the responsibility for renewing the license.

221.7(2) An individual who was issued a license within six months of the license renewal date will not be required to renew the license until the subsequent renewal date two years later.

221.7(3) A licensee seeking renewal shall:

a. Meet the continuing education requirements of rule 645—225.2(148F,272C). A licensee whose license was reactivated during the current renewal compliance period may use continuing education credit earned during the compliance period for the first renewal following reactivation; and

b. Submit the completed renewal application and renewal fee before the license expiration date.

221.7(4) Upon receipt of the information required by this rule and the required fee, board staff shall administratively issue a two-year license and shall send the licensee a wallet card by regular mail. In the event the board receives adverse information on the renewal application, the board shall issue the renewal license but may refer the adverse information for further consideration or disciplinary investigation.

221.7(5) A person licensed to practice orthotics, prosthetics, or pedorthics shall keep the license certificate and wallet card(s) displayed in a conspicuous public place at the primary site of practice.

221.7(6) Late renewal. The license shall become late when the license has not been renewed by the expiration date on the wallet card. The licensee shall be assessed a late fee as specified in 645—subrule 5.15(7). To renew a late license, the licensee shall complete the renewal requirements and submit the late fee within the grace period.

221.7(7) Inactive license. A licensee who fails to renew the license by the end of the grace period has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa but may not practice as an orthotist, prosthetist, or pedorthist in Iowa until the license is reactivated. A licensee who practices as an orthotist, prosthetist, or pedorthist in the state of Iowa with an inactive license may be subject to disciplinary action by the board, injunctive action pursuant to Iowa Code section 147.83, criminal sanctions pursuant to Iowa Code section 147.86, and other available legal remedies.
